I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal-court jurisdiction in your case?

☒ Federal Question

☐ Diversity of Citizenship

III. STATEMENT OF CLAIM

Place(s) of occurrence:

Brooklyn, New York City

Date(s) of occurrence:

07/05/20 - 07/09/20

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Somebody threw out a thing for another and told them catch. The individual needs a help out and said it to the catcher. The person told them "It's a baby - I want some of the money and you can have some too"

A key man driving a long merchandise trailer stopped by the 'nook' I was intentionally projected to go and snooze for the night at. It is Panera Bread at 452 Fifth Avenue. He brought in some products and about four safes.

There were two workers inside Panera's. One came about 10:00pm and the other 1:35am. They were told to be quiet.

Everyday these defendants plot and plan something

to take my money. There were a few others on the outside working with them. They kept coming and hounding me.

"I am ready, all set to go - give me that" I heard someone said.

In turn I heard the two people in Panama said "They have created a monster - we've put everything we have on the table".

I got bitten from mosquitoes that came out at a certain time also.

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing, decline health and hygiene.
 Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. Stalked, monitored. Traumatized.
 Overwhelm. Exposure to the elements. Swollen ankles. Reunion
 dirty clothes, harassed. Pressured. Uncomfortability
 mental pressure. Emotional distress
 psychological distress

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the F.B.I. to investigate this case.

I would like to ask the court to order the defendants restore all what was swindled and to compensate me for creating hardships, stressors,

FACT 2) Trailer # 2627 456

I have been constantly writing about the pressure the defendants are putting me through. I have moved from seven nooks in less than three weeks. People are sent to steal and harass me at these nooks. I heard this person said "Take it from the US government file".

Who can access these file or who have access to my files?

I left 452 Fifth Avenue about 3:00am, wandered for a while until the subway opened. Painful very painful.

I have been asking the court as a relief to hand over the keys to my house. I need to start living. It has been a while since I have been asking. Instead I have been getting all different types of blows. Yesterday four people tried to get me to pay for the free school lunch at PS6 (10:55am). I told them "the lunches are free".

I was passing on the sidewalk. An NYPD officer was inclusive of the four.

I had to leave the previous nook at the Astro Gallery at 38 Street and Fifth after a woman came on the train for rent payment.

The person behind this person is not leaving me alone. This person is making it difficult for me to go to my house and start living.

The ropes are being tightened in the court. The court is becoming too picky over harmless things. Right now my hand is shaky. My handwriting is not neatly written from lack of sleep. I feel weak and shaky. I believe pressure has been placed on a couple court employees to make my life difficult.

I saw the two initial orders I filed with the court naming Mr. D. Trump as defendants crossed

FACT (3) No natural air slept with my head in a box again to shield it.

to an individual and said "Take care of that." Ever since that my life has been turned upside down and living made difficult. Constantly waiting to ^{get} counter-attacked.

Those objects were in the sky again early this morning. Are they going to go away or hang around forever?

Some of the acts done by these objects are inhumane and must be stopped.

I am holding D. Trump, White House, US Government accountable for meddling and applying pressure on others to achieve ^a purpose.

I am holding D. Trump, white House, ^{US to do acts} Government accountable for orchestrating others to keep me away from my house and son. N.Y. P.D is waiting on me 12 feet away to grab this order i.e. bully me.

The defendants did quite a lot of wrong. I would write those in another order.

When I left I stuck a note in Panera's door slit that read "Put back my stolen money!"

Programming me to walk around most of the day must stop. I need money to survive too and not only to bring in money for the court. I am tired of getting used and abused and used again.

I am holding the court of Appeals accountable for giving away my house while leaving me in situations leading to slow or sudden death and wasteful life. No one is above the law. Join the line - don't skip the line - follow protocol. M.T.A there are others waiting to get their sugar just like you don't pour your own sugar.

RELIEF (2)

and wrongful actions. Put back the baby.

I would like to ask the court to hand over my house keys to my Bishop and compensation.

I would like to ask the court to arrest and jail all perpetrators. Give me double for my troubles, passport and travel tickets.

Please have my other house available.

As Since I came to this court I never get a relief asked for.

Fire Mr. Trump.

V. PLAINTIFF'S CERTIFICATION AND WARNINGS

By signing below, I certify to the best of my knowledge, information, and belief that: (1) the complaint is not being presented for an improper purpose (such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation); (2) the claims are supported by existing law or by a nonfrivolous argument to change existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Federal Rule of Civil Procedure 11.

I agree to notify the Clerk's Office in writing of any changes to my mailing address. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

Each Plaintiff must sign and date the complaint. Attach additional pages if necessary. If seeking to proceed without prepayment of fees, each plaintiff must also submit an IFP application.
